and Adjacent Regions

Subcomisión para el Caribe y
Regiones Adyacentes

5 Junio 2025

Through this newsletter, you will receive:

-  **Updates on regional and international events**
-  **Training, academic, and funding opportunities**
-  **Educational and scientific resources**
-  **Inspiring stories and initiatives from the Caribbean Ocean Literacy network**

The *Blue Schools CARIBE* newsletter strengthens regional collaboration and fosters a shared sense of responsibility toward ocean sustainability. It is part of IOCARIBE's contribution to the UN Decade of Ocean Science for Sustainable Development (2021-2030).
